**Why give free water: to serve as an example after our Lord and Savior Jesus Christ. "For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many." (Mark 10:45)**

**Christ performed the greatest act of service that anyone can: he laid down his life for us as payment to God for the sins we committed. This payment was not with precious stones or money, but with his blood - shed on the cross. There is no greater love than this. Why was this necessary? Because we have broken God's law (sinned) and stand guilty before Him. God's righteous standard is revealed in the 10 commandments: have you lied, stolen anything, used his name in vain? Jesus compares lust with adultery and hatred as murder (Matt 5:20-30). On judgment day, will you be innocent or guilty? Heaven or hell? God's love found a way for you to be forgiven: He made payment for you. You broke the law, but Christ paid the price on Calvary. He satisfied the justice and wrath of God. God made Him who knew no sin to be sin for us so that we may be made the righteousness of God (2 Cor 5:21). God gave us proof by raising Jesus from the grave. We serve a living Savior and Lord. With the ransom paid, God can offer us forgiveness of sins and eternal life. This is God's grace. He now commands all men everywhere to repent of sins (confessing and forsaking them) and trust in Christ's work on the cross for salvation.**

**"Anyone who drinks this water will soon become thirsty again. But those who drink the water I give will never be thirsty again. It becomes a fresh, bubbling spring within them, giving them eternal life." – Jesus Christ (John 4:13, 14)**
