EVANGELISM
is **NOT** a
DIRTY WORD

Making evangelism Good News again

The Good Messengers Ministries of Northwest Indiana is proud to offer our “**Communicating the Gospel**” *Basic Gospel Principles 101 Course*. Evangelism shouldn't be a dirty word in your vocabulary. This course is Biblically based, and is specially formatted to train believers in a group setting to simply and confidently share the gospel with family, friends and strangers. This course is open to any believing Christian...men, women, and teens. Bring a spouse, family member or friend. We have included lessons on *"What is and isn't Necessarily Evangelism"*, *"What is the Gospel"*, *"What is the Importance of Repentance & Faith"*, and so much more.

This **eight lesson** course will teach you to overcome your fears, and help you to share with others a gospel message that makes sense. You will not be at a loss for words. You do not need to be an expert in apologetics. We will show you the process of contextualizing the Biblical message of the missionary mandate originated, given and commanded by Jesus. What we teach is NOT some new found method but rather we show you how Jesus evangelized in the Bible and show you how to use those principles in your witnessing conversations. It's not about a "Presentation," it's about a "Conversation."

We will show some DVD's based off of "The Way of the Master" TV show series with Ray Comfort & Kirk Cameron that will show you through fascinating on-the-street- conversations how to witness. Weekly homework assignments will gradually coax, you, step-by-step, out of your comfort zone to reach your loved ones for Christ. You will be inspired and motivated as you learn, watch, and then do. Like countless others who have taken this course, you will be amazed at how using the Biblical Principles that Jesus gave us... will transform your life – and the lives of others. More importantly it will help you “Communicate the Gospel” more effectively. Our instructors don't just teach it...they use these *"Biblical Principles"* themselves in witnessing conversations. We at Good Messengers Ministries of Northwest Indiana don't believe in fancy, modern gospel presentations but rather we will show you how to engage a culture in a conversation...*"COMMUNICATING THE GOSPEL"* of Jesus Christ, and making evangelism Good News again!
